General Ordering Process:

We begin taking orders on January 1 for the new year. Orders are processed first come, first served. As orders are taken, estimated availability spots fill up. If you want a breeder order to fit your schedule best, ordering early will benefit this, although WE DO NOT PROMISE TO HAVE ORDERS ON A SPECIFIC DAY/WEEK/MONTH. Weather makes precise availability uncertain.

Ordering instructions:

We use invoices to hold your order's place. Invoices are a bill that includes your order and shipping costs. To ensure your order's place, you must pay the invoice to lock in your order. Or, if you do not pay your invoice, other paying customers will be served before you.

To make your invoice and get you on the schedule, we need from you:

Your first and last name

Your full address, zip code & phone number

What you want: list strain(s), quantity and desired delivery date(s), list any special selection instructions. (color, type of cross, etc.).

Shipping:

We ship UPS overnight.

WE USE UPS OVERNIGHT BECAUSE THE VALUABLE BREEDING STOCK SURVIVES THE BEST USING THEM.

When we create your invoice and send it, we use your contact info to calculate where the breeder shipment will go. If you need to change this, give a call or email and we'll change the location/destination of your shipment. Please do this in a timely fashion.

Picking your order up here is also an option. You'll need to schedule this with us.

If you have any questions about any of this, please email or call us.

Thank you
